

## ***The Future of Software Testing: Scholarship Program for 2008***

### ***TCL awards scholarships and bursaries to 9 students***

**18/01/2008**

Transition Consulting Limited (TCL) is delighted to announce the award of scholarships and bursaries for 2008 to a total of nine students at the Universities of Exeter (UK), Bristol (UK) and Boston (USA).

The scholars are:

Exeter (See picture):

- Nicholas Godsland (3<sup>rd</sup> Year)
- Daniel Geater (2<sup>nd</sup> Year)
- Jonathan Lumb (1<sup>st</sup> Year)

Bristol:

- Ben Organ (4<sup>th</sup> year MEng Computer Science)
- Yon Kim (3<sup>rd</sup> Year BSc Computer Science)
- Bridget McErlean (1<sup>st</sup> Year MEng Computer Science)

Boston:

- Guyomar Louise Pillai (1<sup>st</sup> Year)
- Steven Li (2<sup>nd</sup> Year)
- Varnit Kothari (3<sup>rd</sup> Year)

TCL has a continuing program to further strengthen its links with centres of academic excellence worldwide. These scholarships enable TCL to maintain its vision of continuing to develop the professional discipline of software testing, and to keep up-to-date with developments in education.

### **About Transition Consulting**

Transition Consulting Limited is an independent Software Testing and Business Consultancy started at the beginning of 2000, with offices in the UK in London, Reading & Exeter; in the US in Burlington, Massachusetts; and in India in Bangalore.

TCL has a purpose to develop and deliver world class solutions in software testing that are Innovative, Structured and Professional. We are geared to deliver in all areas of software testing, from unit testing through to performance testing, across all markets and industry sectors.

*"We seek out the brightest and the best organisations to work with in our scholarship programmes around the globe. Boston, Bristol and Exeter have been amazing in how they have worked with us to set up the programmes and also in seeing the potential of close involvement with TCL. I'm really pleased to be working with them."*

– Stewart Noakes  
Chairman TCL Group
